

MPKS 2017 Koi Show and Trade Show

Presentation and Awards Schedule

Saturday, June 24th

9:15 AM Presentations by AJKA Judges

Ray Alexander presents:

Scalation / Scale Finish. Ray will discuss the importance of scales, types of scales, and their role in the overall evaluation of a koi.

Michelle Gravenish presents:

Color. Michelle will focus the basic colors of black, red, and yellow as seen on koi, their interaction, and how they are evaluated in the judging of a koi.

Robert Wicker presents:

Skin Quality / Finish. Robert will discuss the types of skin and its importance in the evaluation of a koi.

11:15 AM Presentations by AJKA Judges

Terri Alexander presents:

Background / Ji. Teri will discuss the importance of white, both as a standalone color and as it functions as a background color for other colors in a koi pattern.

Joann Elmore presents:

Sashi. Joann will discuss the various types of Sashi (the leading edge of a color pattern) and its importance in the overall evaluation of a koi.

Gerald Ellison presents:

Kiwa. Gerald will discuss the various forms of kiwa (the edging on the sides and trailing portion of the pattern) and its importance in the overall evaluation of a koi.

1:30 PM Steve Childers:

Steve Childers presents:

Rules of koi keeping – What they mean, how to bend them, and what happens when you break them.

Sunday, June 25th
