ENGLISH STYLE SHOW

This show will be an English style show for all varieties of Koi. This means that each exhibitor's Koi will be assigned a vat(s) at registration time, and his/her fish shall remain in that vat for the entire show. The purpose of this type of show is to minimize the risk of spreading communicable disease from one owner's fish to another. We are also spacing vats approx. 24" apart to avoid cross-contamination from splashing

RSVP TO CHARLENE@MPKS.ORG BY JUNE 15TH 2018

MANDATORY SHOW VAT RESERVATIONS

In order to assure that you will have a vat, please send your reservation form in by June 8, 2018. Vats are reserved on a first-come-first-served basis. You do not have to provide detailed fish information at this time, but please see the following section to determine the number and size vats you will need. We have a limited number of vats, and for the past three years all vats were sold out, so please don't delay reserving your show vat.

KOI REGISTRATION AND IDENTIFICATION

The entry fee should be paid with the reservation. For last minute reservations, you may pay when the fish are brought to registration. We will be taking digital photos of your fish, so there is no need to bring photographs with you. Your fish will be carefully measured and classified by our benching team. The final determination of the placement of Koi into the various judging classes is made by the benching team.

CONDITION OF FISH DURING TRANSPORT AND EXHIBIT

For the safety and health of your fish, **DO NOT FEED THEM FOR 4 DAYS PRIOR TO THE SHOW**. Fish with undigested food require more oxygen, excrete contaminants into the water, and are more easily stressed. Only members of the fish handling committee will handle the fish during the show. Anyone wishing to inspect their fish must receive permission from the show chairperson. All exhibitors are expected to provide one bowl and one net for each vat reserved. A limited number of bowls and nets are available free of charge on a first-come basis.

KOI SHOW CLASSES AND AWARDS

For judging purposes, Koi will be placed in one of the following 14 show classes by the benching team at registration time:
